Dear [REDACTED] 25X1A9a

Attached for your retention is a letter which I have just received from Mr. McFee commenting upon your service with the Guidance and Evaluation Panel jointly organized by the Special Assistant to the President for Science and Technology and the President's Foreign Intelligence Advisory Board.

To the very high praise expressed on all aspects of your secretarial and administrative skills let me add my own word of thanks. Your performance, commendable in itself, was important as well because of the favorable image of this Agency which your performance created. You were selected for this assignment because you were good. And you measured up in every respect.

I am passing a copy of Mr. McFee's letter to the Director of Personnel for inclusion in your personnel file.

Sincerely,

25X1A9a
